Foods, Inc., and Tyson Fresh Meats, Inc.,

The above-captioned matters came before the Court regarding the uncontested Plaintiffs' Motion for Appointment of Interim Co-Lead Counsel for Proposed Direct Purchaser Class (ECF Nos. 61, and 56, respectively). This Motion relates to a set of

antitrust cases alleging that Defendants conspired to fix and maintain prices in the beef market in violation of the federal antitrust laws.

The Court concludes that class counsel for the Direct Purchaser Plaintiffs (“DPPs”) should be appointed in order to achieve efficiency and economy in what is likely to be expensive and complicated litigation, while not jeopardizing fairness to the parties.

DPPs’ counsel has moved the Court to appoint the proposed DPP Leadership Slate, composed of Gustafson Gluek PLLC, Hartley LLP, Hausfeld LLP, and Cotchett Pitre & McCarthy, LLP as Interim Co-Lead Counsel and NastLaw LLC, Freed Kanner London & Millen LLC, Wexler Wallace LLP, and Karon LLC as members of the Plaintiffs’ Steering Committee. The Court has carefully reviewed the motion and its accompanying submissions and has considered the factors outlined in Rule 23(g) of the Federal Rules of Civil Procedure.

The parties’ submissions demonstrate that the DPP Leadership Slate satisfies the requirements of Rule 23(g). This includes: the work counsel has done in identifying or investigating potential claims in this action; counsel’s experience in handling class actions, other complex litigation, and the types of claims asserted in the action; counsel’s knowledge of the applicable law; and the resources that counsel will commit to representing the class. Based upon the foregoing and all the files and records herein,
